September 10, 2020

Dear Bulldog Students, Parents and Community Members,

I am very pleased to announce that our application for the Seamless Summer Meals Program was extended through the end of September 2020. This means that **ALL** of our students will be provided the opportunity to have a **free breakfast** and a **free lunch** regardless of their free and reduced or paid status. The free meal service will begin immediately. We will reapply for the program at the end of September with the hopes of continuing the program through December 2020.

This option will also be available to remote learners and all children in the community aged 1 year through 18 years old. Details on how to request the meals and when and where they can be picked up will be on the school website. Thank you!

Sincerely,

Dr. Kyle Collins, EdD  
Superintendent, Brookfield R-III School District
